Achieving academic success lies at the heart of Follow The Dream. Students have access to individualised after-school tutoring and mentoring that supports achievement across all areas of the curriculum. Personalised Learning Plans guide students in achieving their learning goals and u-url [illegible] where they [illegible] operate [illegible] Program expe[illegible]ncy [illegible]bi[illegible]ally [illegible] [illegible]ncl[illegible] with purpose in a setting which has a sense of belonging. On completing school, students are well prepared to successfully embark on career pathways identify as leaders and be role models for their peers, families and communities

Programs are school based and led by a Program Coordinator who with a team of tutors plan and deliver individualised or small group support. Tutoring is available up to 4 afternoons per week. Assistance may include ensuring completion of assessment tasks, consolidating understanding of key concepts, addressing specific learning needs and developing skills and capabilities.

Students engage in a broad range of opportunities and experiences including camps, excursions, visitors and projects that motivate and
